

SURGEON PROFILE

Dr William Lynch

MB BS MMed (Geriatrics)

DSc (Medicine) FRACS FRCSEd (Hon)

Urological Surgeon

T 02 9553 7110

E info@uro.net.au

Dr Lynch has a particular interest in functional urology. His expertise includes the management of male and female incontinence, erectile dysfunction and penile rehabilitation, and benign conditions of the prostate.

After his initial Fellowship in Australia, Dr Lynch's extensive career took place across elite institutions in both the UK and USA, as well as Sydney.

Alongside his fellowship of the Royal Australasian College of Surgeons, he has been awarded the highest honour of the oldest Surgical college in the world – The Royal College of Surgeons of Edinburgh.

Dr Lynch was the first person to perform both cryotherapy and High Intensity Focused Ultrasound (HIFU) in Australia. These are cutting edge therapies for prostate cancer.
